FEDERAL CHILD CARE FOOD PROGRAM:

Royal Kids Academy participates in the Child Care Food Program (CCFP) for preschools. Each meal is prepared according to the United States Department of Agriculture's "FOOD GUIDE PYRAMID."

- **CCFP PARTICIPATION GUIDELINES:**

1. All families must fill out a CCFP application
2. A certain percentage of families must qualify for "Reduced" or "Free" meals according to household income levels.

- Note: These applications are confidential and **remain at the school** and are not sent to any government agencies.

FOOD CATERING: Royal Kids Academy uses an outside food catering company to provide all school meals. To ensure that nutrition requirements are met, we use menus that were created by the "Child Care Food Program". All catering companies participating in the Federal Child Care Food Program must be certified by the Florida Department of Health.

MENUS: Menus are posted at the entrance of the school and on our website. Parents must check the menus daily to ensure that their child can or will eat the food being served.

Royal Kids Academy does not provide alternate menus. If the lunch being served cannot be eaten by your child because of a medical reason or allergy, **you (parent or guardian) must send in a prepackaged lunch for that day (Lunch must meet USDA guidelines)**. If your child cannot eat a meal that is provided:

SURVEILLANCE CAMERAS

For security purposes, Royal Kids Academy uses surveillance cameras inside the classrooms and in various locations throughout the school.

TELEVISION - VIDEOS - DVD'S

Royal Kids Academy believes that children should engage in enriching and fun activities that challenge them cognitively, socially, and physically. It is for this reason that we do not allow children to watch television or DVD's. There will only be seldom exceptions where the television will be used for educational purposes to further facilitate a classroom lesson.

CHILD ABUSE & NEGLECT REPORTING REQUIREMENTS

All child care personnel are mandated by law to report their suspicions of child abuse, neglect, or abandonment to the Florida Abuse Hotline in accordance with S. 39.201 Florida Statutes (F.S.).

PARENT INVOLVEMENT

VOLUNTEERING

A great way to get involved in your child's education is to volunteer at school. Teachers can always use an extra hand and children benefit from having parents share their time with them. Stop by the office to fill out the necessary forms if you wish to volunteer at school.

FAMILY-TEACHER CONFERENCES

Parents are welcome to contact their child's teacher at any time during the school year to discuss any concerns they may have about their child.

There will also be two formal Family-Teacher Conferences held during the school year. Parents/Guardians may request a conference time and date by filling out the conference request form that will be made available one week prior to the scheduled conference week.

Formal Conference Dates:

1. First week of November
2. First week of March

DEVELOPMENTAL SCREENING AND REFERRAL PROCESS

During your child's early years of life, many important skills and abilities are established. These skills and abilities are key to success in school and later life. We believe it is important to monitor the growth and development of children in our care. This monitoring allows us to identify children with possible delays and helps us determine the proper intervention tools to use to help them "catch up" to their peers.

At time of registration, all families will complete a "Developmental Screening and Evaluation" permission form. Within the first month after enrollment, and periodically throughout the year, teachers will complete developmental screenings on all children whose parents have given consent for screening.

The administration will review the screening results with your child's classroom teacher. When the results indicate that your child may have a potential delay, the administration along with your child's teacher will develop specific activities designed to build the necessary skills your child needs to overcome the potential delay.

If the results indicate that significant delays may be present, we will advise you on how to schedule a more detailed assessment for your child.

CLASSROOM ASSIGNMENTS

Children are placed in specific classrooms according to their age on September 1st.

Children will remain with this same class during the entire school year.

Approximately, one month before the school year ends, we will begin transitioning preschool children to their new age group class. This gradual transitioning will allow your child to become familiar and comfortable with his/her new teacher and setting before the new school year begins.

HURRICANE/STORM POLICY

Please take a few moments to review our Hurricane Policy below. Please note that there are two important parts to our policy (**Pre-Hurricane** and **Post-Hurricane**). After a storm, if Dade County Public Schools has only a few schools that are damaged and unable to open, they will keep **all of their schools closed**. Therefore, we created a two-part policy that gives us the option to open after a storm even if Dade County Public Schools remain closed.

HURRICANE POLICY

1. Pre-Hurricane - As a Hurricane/Storm Approaches

Royal Kids Academy will follow the decision made by Dade County Public Schools as whether to open or close the school. When calling the school, a recording will state that Royal Kids will be following Dade County Public Schools' decision.

2. Post-Hurricane - After the Hurricane passes

1. Call Royal Kids Academy (305) 557-5437

2. A recording will inform you:

- to follow Dade County Public Schools' decision (or)
- that Royal Kids Academy will be **CLOSED** (or)
- that Royal Kids Academy will be **OPEN**

- Be sure to call at different times of the day (this will ensure that you get the most current update)
- If you call the school and do not get the recorded message, then you may assume that Royal Kids Academy will remain CLOSED. In this case, more than likely the school has significant damage and or there is simply no electricity. In either case, the school will not be able to open.
- Check the school website for up to date information: RoyalKidsAcademy.com & [FaceBook.com/RoyalKidsAcademy](https://www.facebook.com/RoyalKidsAcademy)

GENERAL EMERGENCY PROCEDURES

For your peace of mind, we would like to make you aware of our school's emergency plan. Please be aware that the procedures might need to be adapted to better protect our children depending on the type of emergency encountered. In the event of an "Emergency," the following will be implemented:

GENERAL

1. All entrance/exit doors will be locked
2. All outdoor activities will be canceled
3. All children will remain in their classrooms
4. Air conditioning units will be shut down (only for Chemical Emergency)
5. All incoming waterlines will be shut off - including water fountains and toilets (only for Chemical Emergency)

DISMISSAL

During an emergency, the dismissal of children will take place at the child's classroom. This will enable the dismissal process to run more smoothly and quickly.

Remember: Only authorized persons will be allowed to pick up children.

* Royal Kids Academy will notify/update parents/guardians via the text message & email School Notification System.

DISCIPLINE POLICY

Disciplinary Practice: "Reflection Time" is used when undesirable behavior patterns are being established. The following steps will be used for behavior modification:

1. Children will be corrected and asked to change their behavior or be redirected from the situation.
2. The teacher will implement "Reflection Time."
3. Parents will be contacted for a conference if behavior is not corrected.
4. If behavior endangers the child or other children in the class, the child will be withdrawn from school.

VOLUNTARY PRE-KINDERGARTEN

Information

The State of Florida implemented the Voluntary Pre- Kindergarten program as an effort to make quality pre- kindergarten available to all four year olds. This program is regulated by the Florida Department of Education and has very strict guidelines for its participants.

GUIDELINES:

Eligibility:

- Child must be four years of age on or before September 1st
- Child must be a resident of the state of Florida

Attendance Log:

- Parent must sign and date “VPK Daily Attendance Log” at the end of each month.

Attendance Policy:

- Students participating in the Voluntary Pre- Kindergarten Program are allowed approximately 2 to 3 absences per month.

VPK Attendance Policy: (Continued)

Tardiness: Arrival for the VPK program is between 8:45 and 9:00 a.m. VPK arrivals should be signed in at the office. The earliest time arrivals will be accepted in the classroom is 8:45 a.m. The instructional day starts at 9:00 a.m. and all children are expected to be in place and ready to start the day. Arrivals after 9:00 a.m. are disruptive to the class and difficult for the arriving child as well. We understand that it is occasionally unavoidable to be “running late”, but more than twice a month will not be acceptable and will be cause for termination from the VPK program.

Late Pick Up: The VPK program ends at 12:00 p.m. daily. Students picked up after 12:00 p.m. will be charged the full week rate.

Absence: Daily attendance in the VPK program is necessary for optimal learning, however, you will be allowed (3) absences per month. Any absences beyond those require a written note from the parent for one of the following reasons:

- Illness or injury of the child or the child’s family member which requires hospitalization or bed rest;
- Physician or dentist appointment;
- Infectious disease or parasitic infestation;
- Funeral service, memorial service, or bereavement upon the death of the child’s family member;
- Compliance with a court order (e.g. visitation, subpoena);
- Special education or related services for the child’s disability;
- Observance of a religious holiday or service;
- Family vacation, not to exceed 5 excused absences per program year.

Please note: Absences of 5 consecutive instructional days will be considered a withdrawal from the VPK program at Royal Kids Academy. Withdrawals from the VPK program will not be eligible for re-enrollment.
